Starters, Movers and Flyers, with Starters

being the first, aimed at children with very

basic skills who are aged 5 or above.

As children develop and work their way up to

Jolly Phonics (Ages 4-6)

Language : English

Jolly Phonics is an early systematic phonics programme designed to teach children to read and write. It is a structured approach to teach 5 basic skills which are: learning the letter sounds, letter formation, blending, identifying the sounds in words and tricky words (irregular words). The key advantages of this system are that it teaches children all the main letter sounds early on and it needs relating the sounds to the symbols, to enhance the understanding of the alphabetic code used for reading and writing.

Remarks:

1. Students must attend 80% or above of the whole course and pass the assessment in order to be promoted to next level. Certificate will be issued if participants attend 80% or above of the whole course.
2. Each student has maximum 3 make up chances, and is not guaranteed (depends on class availability). No make up class arrangement for lesson 1 and 10.
3. An evaluation report will be distributed to participants on the last class for promotion use. If your child stops for 2 consecutive quarters, an assessment (\$90 non-refundable fee) needs to be arranged before re-enrolment.
4. Phonics assessment fee is \$90 (non-refundable). It is for children who have learned Phonics outside of the YMCA who wish to enrol Phonics 2 to 4 programmes. Please call 2268 7755 to make an appointment.

Jolly Phonics Level 1

The course aims at introducing the child to the relationship between sounds and letters. Sounds will be taught following the Jolly Phonics sequence. Children will also learn some tricky words and how to blend CVC words (consonant-vowel-consonant).
