English Learning Courses

Let your children's English flourish at YMCA

Cambridge English

Cambridge English: Young Learners (YLE) is a reliable and consistent measure of how well your child is doing in the skills of listening, speaking, reading and writing. Examinations are designed to make learning fun and children are encouraged by working towards certificates and earning the 'shields' that record their progress. There are three levels for children to work through **Starters**, **Movers** and **Flyers**.

As children develop and work their way up to the Flyers certificate, they reach a level that will enable them to aim for the **Cambridge English: Key for school (KETfs)** or the Cambridge English: Preliminary (PET) in our General English range of certificates - qualifications which will be of value for further study.
